

Southern Region Championships 2018 Sponsorship

For the last four years the Southern Region has opened the regional championship events up to sponsorship by the region's clubs. The money raised by the scheme has subsidised the championship trophies and medals, and helped to ensure that the region was able to run other subsidised events.

We are continuing the scheme for the 2018 Southern Region Championships. Clubs can sponsor one or more events for £30 per event. The sponsoring club's name will appear on the draw sheets, and will be announced during both eliminations and the finals.

If your club is interested in sponsoring an event please contact Ivan Birch by email at:

ivanbirch@btinternet.com

Each event will be sponsored by only one club and will be on a first come, first served basis.

Many thanks,

Ivan
